
WHO WE ARE

The Violence Prevention Coordinators are housed in Violence Prevention & Advocacy Services (VPAS).

We create and facilitate gender-based violence prevention programming for UNC students, faculty, and staff. We educate on issues around violence and help build a culture of safety, inclusion, and respect on campus and in the Chapel Hill community.

Trainings & Programs

- **One ACT:** a practical, skills-based bystander intervention training for students, faculty, & staff
- **HAVEN:** a skill-building training for responding to disclosures of violence in trauma-informed ways
- **Be That Friend:** a workshop to help students support victims of violence, speak out against abuse, and recommend support resources.

**WHAT
WE
DO**

Services & Support

- **Partnership:** we collaborate with student groups and campus organizations on programs and events
- **Education:** we facilitate trainings and create tailored prevention programming by request
- **Outreach:** we connect with the community through in-person events, print materials, and social media
